

The DUX Xclusive

DUX Xclusive is our most luxurious and exclusive bed package. Based on the 818 model, extra care and careful attention to detail have been put into the selection of the classic 818 materials, and more so, we have incorporated our skills within furniture making in order to create this handcrafted masterpiece.

Experience the DUX Difference

SWEDISH STEEL SPRINGS

The DUX Xclusive has nearly 2 times as many springs as an ordinary bed, which means better body contouring, reduced pressure points for improved circulation.

PERSONAL COMFORT ZONES

Everyone's body is unique. That's why The DUX Xclusive offers individualized comfort zones, allowing two people to select the perfect setting for their shoulders, lower back and legs.

HEADBOARD WITH INTEGRATED LAMP

The DUX Xclusive's elevation is easily adjustable with an ergonomic and user friendly handheld remote control that features soft touch night glow buttons.

EXTRA SUPPORT

The DUX Xclusive comes with our Xupport Top Pad. This 6 cm replaceable cotton covered latex top pad adds extra softness and cushioning.
